RELEASE OF SPECIFIED PUPIL INFORMATION

To Designated Persons/Agencies

Dear Parents,

The school does not release information or records concerning your child to non-educational organizations or individuals without your consent. There are a number of organizations associated with education, such as the Parent Support Team (PST)., which have a continuing need for names and addresses of students they represent. Also, the release of certain information would benefit your child, such as information on athletic or academic awards, information for press releases, or information to organizations and institutions offering career opportunities to graduates. The various organizations and the types of information requested are listed on the reverse side of this letter.

Your consent is required for the release of such information. If you give your consent, please sign where indicated on the reverse side of this letter and return it to the school office. You may revoke such consent at any time by notifying me in writing.

You may receive a copy of any information released by submitting your request, in writing, to the school office.

Sincerely in Christ,

Miss Andrea Miller,  
Principal
